# AUSSERGEWÖHNLICH SIND AUCH DIE MATERIALEIGENSCHAFTEN DER PANEEL

Long Brick Cuero

ca. 2 cm

- Hochverdichteter PU-Kern
- Echte mineralische Deckschicht, handbemalt
- Platte für Platte ein Unikat
- Einfache Verarbeitung durch Holzbearbeitungsmaschinen
- Innen- und Außenecken durch Gehrungsschnitte einfach zu gestalten
- Oberfläche schwer entflammbar (B-s1, d0 zertifiziert)
- Patentiertes System
- Für jedes Paneel passendes Retuschier-Material
