## PANESPOL® SYSTEMS

LIGHT, QUICK, SAFE,  
EFFORTLESS, QUIET, AND STYLISHLY  
UNIQUE INTERIOR AND EXTERIOR  
**IMAGE AND MOOD TRANSFORMATION**  
**SINCE THE YEAR 2000.**

[www.panespol.com](http://www.panespol.com)

WE PROVIDE STUNNINGLY REALISTIC  
IMITATIONS (SUCH AS OUR CLASSIC BRICKWORK  
OR CONCRETE FINISHES)...

...OR ENTIRELY NATURAL SURROUNDS,  
YES, THE REAL THING, NO FAKES  
(SUCH AS OUR 'NATURAL MOSS' RANGE  
OR 'NATURAL STONES' RANGE).

Panespol® systems are inventions for INVENTIVE people with PRACTICAL aims, professionals who need magic chameleon effects, elegant makeovers, but with no building work involved.

Trouble-free transitions to create that desired mood for interiors and exteriors.

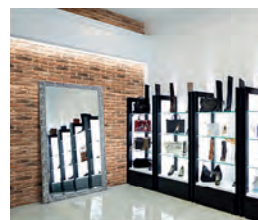

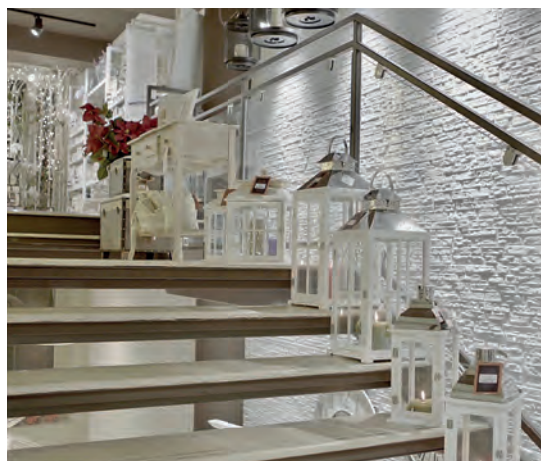

Our materials are light, easy-to-assemble (it's kids' stuff, like doing a puzzle), strong, safe, and time-saving... and very good to look at and be around.

And our panels are adaptable, paintable, and can fit any space.

PANESPOL® SYSTEMS

GET THE RIGHT STUFF  
AROUND YOU,  
**YOUR QUALITY DREAMS  
MADE REAL.**

[www.panespol.com](http://www.panespol.com)

No.1 WORLDWIDE  
IN DESIGN AND MANUFACTURE  
OF POLYURETHANE-BASED  
WALL COVERINGS.

**In Alicante province (Spain) since 2000 serving leading clients in international retail, architecture, and interiors.**

- Cutting edge technology (we have our own polyurethane patents).
- Constant research and development.
- Highly personalised attention.
- Creative solutions for demanding projects.
- Full, efficient, logistical support.

# BRICKS

*Besides the warmth and rustic charm they convey, brick-decorated walls can bring many special moods to both modern and avant-garde looks.*

*Our PANESPOL BRICKS line includes a wide range of decorative polyurethane panels that perfectly imitate brick through various chromatic treatments, classic and innovative styles, and in diverse colours and sizes.*

# STONES

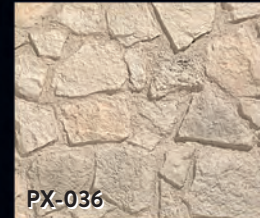

*There is something about stone that brings us closer to our ancestral past: warmth, cosiness, security...A stone wall look attracts attention while allowing for and even calling out for both formal and daring decoration elements.*

*PANESPOL STONES offers a wide range of stone-imitation panels with extremely varied finishes, textures, shapes, and predominantly warm and natural tones - great for featuring in the most uplifting of ambiances.*

# BETON

PANESPOL  
ROUGH BETON

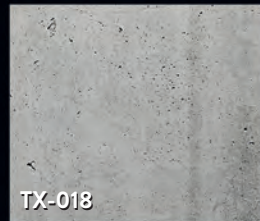

*Our imitation cement panels mean you can work very easily with a full range of striking surfaces in modern settings.*

*PANESPOL BETON faithfully reproduces different types of cement and beton brut, complete with blemishes such as hollow-spots and air pockets that feature in concrete walls or the lines left by wood formwork mouldings. These are also available with a faux aged effect.*

## TEXTURES

BY  
PANESPOL®

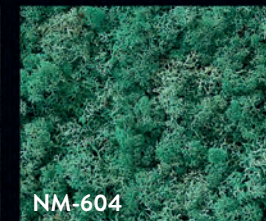

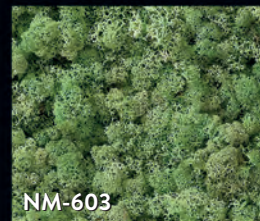

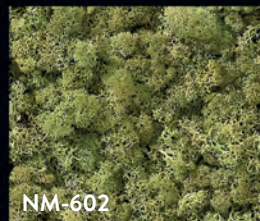

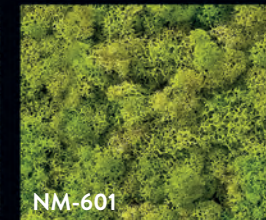

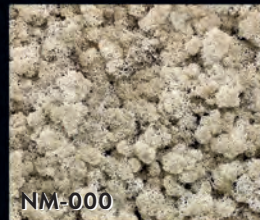

*PANESPOL NATURAL literally brings nature into contemporary habitats, and it does so surprisingly quickly and easily.*

*NATURAL MOSS is genuine moss from the forests of Northern Europe; NATURAL STONES are fine, self-adhesive sheets of natural stone, and NATURAL WOOD is a line in real wood surfaces, precision-extracted from weathered oak beams.*

*PANESPOL NATURAL - luxury for the senses.*

# FINISHINGS

*What beginnings for any project can do without the force and sheen of an amazing finish? For spaces needing that extra allure and modernity, drawing on its background and skill in art handcrafting, Panespol has created one of its most commanding and intriguing dynamics ever.*

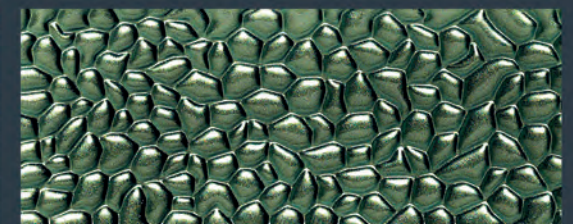

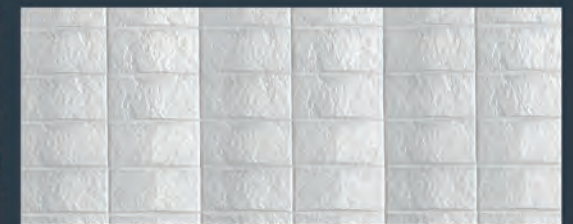

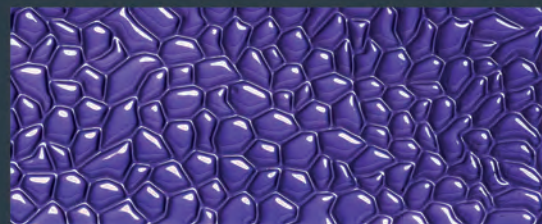

***RAL.** Availability in all RAL colours. This chromatic flexibility is essential for your decor requirements.*

***RUST.** The industrial look of oxidised metals has become an option for decor and design that transcends fashions and adds quality to the most surprising contexts. Available in a variety of classy effects.*

***HIGH GLOSS.** Perhaps the most lustrous surface captured by Panespol's art team, this tiled finish speaks loud and clear of spotlessness and the eternal shine of the cultivated space.*

***MATTE.** When your background surfaces need neatness and modernity, but not too much lustre. Matte is refinement without the exaggeration.*

ANY WAY YOU WANT IT:  
PANESPOL® LAB,  
THE LABORATORY OF IDEAS.

PANESPOL®  
**LAB**  
IDEAS - MATERIALS - PRODUCTION

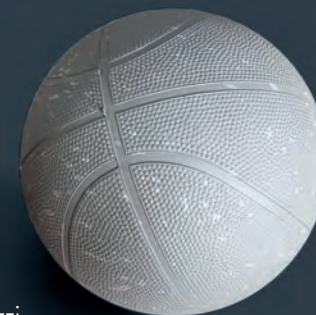

You live in a world that is fast and off-the-shelf. But you DESIGN for spaces and minds that need BESPOKE. There is no greater distinguishing factor than the uniqueness of your dreamed-up creations.

Now, Panespol LAB is fully set up with the technology and experience to provide personalisation from prototypes to smartly-produced and quickly-delivered bulk orders. This means you tell us the shapes, the sizes, the colours, and the materials. We DO the rest, just as you want it.

You can now order the stand-out customised mood-shaper or brand attrezzi for your campaign, or for your entire chain or franchise. And because our LAB service is bespoke, it is uniquely yours.

No designer needs to be told what this means in terms of flexibility in the creative process, but since no producer of display and decoration objects has ever offered such an open palette to creatives, dreaming big doesn't come instantly to everyone. Which is why our LAB team is here with the know-how to help you.

Seriously, you can bring us an idea for anything you want to make for your spaces. Panespol LAB is your BESPOKE provider.

**We serve big international clients** whose image changes for outlets in almost every country in the world must happen globally, often almost overnight. To meet delivery times, we are used to thinking smart and quick in our workshops.

If you are getting a project ready for one or more locales, go to [www.panespol.com](http://www.panespol.com), click on the upper right tab 'PANESPOL CONTRACT', fill in the simple form and we will contact you so we can work together on finding the best-looking and most affordable solution, one that your customers are bound to love.
